To a Flanders 20 is Credited the Most Remarkable Endurance Feat of the Season of 1910.

A stock car left Quebec, Canada, June 6th, and after an uninterrupted journey of 4,128 miles, arrived at Mexico City, August 3rd.

One of the first of the 1911 models to reach the Pacific Coast, a four passenger "Suburban," won a unique distinction by the

Longest Non-Stop Run in the Annals of Motordom.

The motor was started December 2nd, and was run continuously, not even stopping when the car was at rest taking on supplies. On December 28th the car passed the former record of 10,974.4, continuing to traverse the streets of and roads of Los Angeles until it had placed the figures at a point out of reach of all competition for years to come.

Later, on December 30th, the car's record was 10,872 miles. The run was under the auspices of the Automobile Association of Southern California, and observer from which was always on the car, day and night.

Flanders Cars are among the cheapest to maintain, the actual running expenses at the present price of tires, being less than 3 per cent. per mile. For sale by

Thirty Years Together.

Thirty years of association—Think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad thing. So there is no guesswork in this evidence of Thos. Arriss, of Concord, Mich., who writes: "I have used Dr. King's Few Discoveries for thirty years, and it is the best cough and cold cure I ever used." Once it finds entrance in a home you can't pry it out. Many families have used it forty years. It is the most infallible throat and lung medicine on earth. Unequaled for lagrippe, asthma, hayfever, croup, quinsy or sore lungs. Price 50 cents and \$1.00. Trial bottle free. Guaranteed by Oberdorfer.

Dating Eggs.

A rubber stamp to be worn on a finger so that when an egg is picked up the date will be imprinted on the shell is a recent invention.

The Difference.

"How's the patient this morning?" I heard he was in a semi-conscious condition from toxic food. "Not that, exactly," doctor said he was in a catarrh condition from potamaline poisoning."
